

## Exhibitor Testimonials

"It's our first year at The Ideal Home and Garden Show; we've attended other shows in the past. We are very happy that we made the switch to the Ideal Home Show this year. It's been fantastic experience for us and we will be back for sure. It was so easy to load into this show; I can't explain to you how easy it was compared to other shows we've done in the past. We were able to get our truck right in here, back up to our booth and unload. It was wonderful they know how to run a show. It's as simple as that, these guys know how to take care of their clients, they know how to make sure that we achieve the goals that we set out to achieve by being a part of the show, and ultimately we couldn't be happier. "

"I wouldn't work with a different show. Continuum is absolutely wonderful. We feel like they are family to us. We've been with them since the start of the show and it's a wonderful experience. The biggest advice coming from us is that you have to listen to the show when they are talking about numbers. They truly are the largest show in the area. They are the regional show that brings people in from Grimsby, Oakville, Ancaster and the Dundas Area. It's a very important show if you are trying to reach a larger market with your product."

**Russell Springer, Legends Landscape Supply**

"It's been great! We've had a great turnout, yesterday was a fantastic day. We had Dave Pearson here at the pool table generating a wonderful crowd. It's just been great! Today is just as busy as yesterday, so the turnout and exposure has been wonderful for us. "

**Dana Simpson , The Pool Shoppe**

"We had a great weekend...the best so far! Guaranteed we will be back with a bigger booth next year. We highly recommend to other vendors and companies to be a part of the show!"

**Nick DiCarlo, Lakeshore Living**

"We use this show for a lot of our marketing. We don't use yellow pages or any other advertising, so all of our business comes from this show and word of mouth."

**Patricia Leier, From Roots to Shoots Tree Care**

"I was surprised how it was a wider range than just the Hamilton core. We've met people from St Catharines to London to Mississauga. It's quite the range of people who come here."

**Roy Weilhouwer, Cabinet Works Plus Ltd**

"I was delighted with the show this year! Great job and I would love to come back."

**Linda Nusca, Cutco Cutlery**

## Visitor Testimonials

"This was one of the best home shows that I have ever been to. Having a home show this big in the suburbs is amazing. It was like going to the big shows downtown except here we had free parking and didn't have to fight traffic. Great job we will be back each year!"

Mike from Burlington

"Great home show, the best I've seen! Loved Anna Olson and Lynn Crawford!"

Corrine from Burlington

Jeff Norris

"We had a great time at the show! Spoke to quite a few companies and have already booked some work to be done this spring. The show is definitely a great way to shop around for products and services for your house."
